**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF ALASKA**

---

**SMITH, et al.,**

Plaintiffs,

v.

**HELZER, et al.,**

Defendants.

Case No. 3:22-cv-00077

MOTION  
FOR PRELIMINARY INJUNCTION

Pursuant to Federal Rule of Procedure 56, Plaintiffs move this Court for a preliminary injunction against Defendants as to all of the claims included in their complaint. To that end, Plaintiffs attach a memorandum in support of this motion, declarations from each of the plaintiffs, and a proposed order.

Plaintiffs request oral argument on the motion, which will involve several interesting and complex issues of First Amendment law for the Court. (*See* L.Civ.R. 7.1(f)).

Plaintiffs intend to work with opposing counsel to propose an agreed briefing schedule by separate motion to replace the usual timeline outlined in L.Civ.R. 7.2(b)(2). Plaintiffs seek a ruling prior to their intended speech in this fall's elections.

Plaintiffs did not intent Docket 7 to be considered a motion for preliminary injunction but rather a proposed memorandum in support as an exhibit for their motion to exceed page limits at Docket 6.

Dated: April 25, 2022
